Professional Summary

Aspiring Full Stack Web Developer with hands-on experience building web applications through academic and personal projects. Skilled in HTML, CSS, Bootstrap, Tailwind CSS, React, Astro, PHP, MySQL, Git, and Figma. Also have basic knowledge of Flutter and Dart for mobile application development. Able to work well in a team and contribute to building responsive and user-friendly applications. Eager to learn new technologies and improve my skills while contributing to real-world projects.

Work Experience

Web Developer

August 2024–Present

- Design and Develop a Laundry Booking Management System with online booking, pickup and delivery tracking, and PayMongo payment integration.
- Developed Billing Systems for Internet Service Providers with features such as customer management, billing, payment tracking, invoice generation, and financial reports.
- Created an Investment Management System with transaction tracking, referral rewards, and real-time investment monitoring.
- Built a website for Wiped Cleaning Services with online booking, service management, customer reviews, and Stripe payment integration.
- Developed an Annual Investment Plan (AIP) System for the Municipality of Catarman to manage projects, budgets, and reports across multiple departments.
- Worked with clients to gather requirements, improve system features, fix bugs, and ensure responsive, user-friendly websites.

Internship at the Polytechnic University of the Philippines Calauan Campus

February 2026–June 2026

- Assisted the Registrar's Office in organizing and processing student records and documents.
- Sorted, filed, and prepared academic documents for enrollment and graduation.
- Provided basic computer troubleshooting for faculty and staff.
- Assisted students and visitors with document requests and general inquiries.

Bookkeeper at Astranet

August 2024 – October 2025

- Recorded sales, income, expenses, and bills accurately.
- Tracked money received and payments made.
- Reconciled bank statements to ensure accurate financial records.
- Managed invoices and maintained organized financial documents.
- Maintained accurate and up-to-date financial records.
